# SWAP MEET

## SEAWORKS MARITIME PRECINCT

What can you say about the 2019 WVCV Swap Meet at Seaworks in Williamstown - another great event put on by our wonderful club!

Months of planning by Andrew Ermel and members of the committee paid off in spades despite the chilly weather. With 27 swappers and over 300 walk on visitors there was probably over 400 in attendance.

Without our merry gang of volunteers we just would not have an event and how fortunate we are to have such a dedicated bunch that enjoy the day and are eager to come back next year.

Our thanks go Matty Collis on the back gate while Tony Albers, Steve Ermel, Andrew Novak and Bredan Pell did a great job with parking while the other team of Jocelyn, Jordan, Lloyd and David Hennessey were on the front door. On the catering front we had Masterchefs, John Stevens, Brian Palmer, Evan and Andrew M ably assisted by Barb Carrick and Karen Stebing. Finally, thanks to Matty for looking after the float, Michael Cronin for a lot of planning and anyone else not acknowledged above.

The addition of the heating inside certainly improved the creature comforts and by the look and smiles of the attendees with some prize new possessions under their arms, we all agree this event should have a healthy future!

Chris Scane, WVCV Historian.

### WVCV General Meetings

Melbourne Club meetings are held every third Thursday of every month at 8pm at the Austrian Club, 90 Sheehan Rd, Heidelberg West VIC 3081 unless advised of an alternative venue in the Club Newsletter.

### Volkswagen Club of Victoria Committee 2018

## President's Report

Lloyd Davies WVCV President

Hi All,

I hope the last month has seen you warm and cosy, maybe even tucked up in your camper van.

The club has been continuing with activities and events, starting with the annual VW Club Swap meet. Big thanks to Andrew Ermel, Michael Cronin, John Stevens and Matt Collis and all the other usual helpers who make this event work. Members might not be aware, but current legal and OH and S guidelines imposed by the venue mean that hours are spent in satisfying these requirements before such an event can go ahead. Overall the day went well and due to our commitment to keeping costs low, members who had their membership cards with them were given half price entry. The club hosts this event for the benefit of members and with our sausage sizzle and gate takings we generally make a very small profit, which goes back into club funds which ultimately benefit members.

Thanks to Jahnu Russell approximately thirty members were able to enjoy a fun weekend away at the very enjoyable Sea Croft Eastgate between Lorne and Apollo Bay. This event sold out almost

straight away and some members just came down for the Saturday night. On the Saturday morning most participants drove to Anglesea to start the Observation Run arranged by Jahnu. The questions were reasonably easy, but most of us ended up having to backtrack a bit to find that elusive answer. The winner was Andrew Novak and team. And the Davies family did pretty well too!

One other thing I want to mention is that we are fortunate to have Andrew Ermel and Michael Cronin to administer the club permit scheme in their own time. Please make sure your club membership is up to date and follow the published club guidelines to register your car on the scheme or to renew your club permit rego. These are VicRoads requirements. Under these VicRoads rules, if your membership has lapsed, your club registration will also lapse. We endeavour to inform members when their membership is about to lapse, but the club has an obligation to inform VicRoads if you are no longer a member. Please be aware that you are ultimately responsible for maintaining your membership and for advising the club if your details have changed.

As you know, VicRoads renewal notices arrive well in advance. It is important you act on these at the time and not expect that a club permit officer will be able to save you at the last minute. Just remember that there are hundreds of cars on the scheme in our club and each registration needs to be renewed annually. Add to these renewals the new club registrations that would average perhaps fifteen per month, and you can see that this is a huge task. Please be considerate of the workload on these willing volunteers.

Upcoming events include the Maling Road Car Show - there are no more places available, but do come along to admire the cars - on this Sunday, August 18.

And the German Auto Show on Sunday August 25 - see details in this mag and online.

I look forward to seeing you at the General Meeting this Thursday 15 August.

Keep those VWs clean and stay warm.
