President's Report

Lloyd Davies VWCV President

G'day all!

As you may or may not know, Lyn and I have been away in Europe for a few weeks and while we had a great time, as always, it was good to get home. Two of the Volkswagen highlights were the Bad Camberg Car Show - it was the tenth Bad Camberg event since 1979 - and the Prototype Museum in Hamburg - both worth considering if you are travelling in Europe.

A big thank you to Matt Collis for stepping up to the president's role and doing a better job (than I would have!) in holding the fort during my absence.

While we were away the annual Wintervolks event was held at Woodend in conjunction with the Ballarat Club. The usual feature, the Rocker Cover Racing was a great success. I'd like to thank my daughter Jane, together with Andrea Green and Rachel Charity of the Ballarat Club for their organisation of the event. I understand that the turnout was great and the racing intense!

Last Sunday saw us all come out to Williamstown for the annual freezing of VW owners at the Swap Meet. This event is always popular with club members and

other Volkswagen enthusiasts. I hope you all found that rare bit you'd been seeking for ages. Thanks to the two main organisers, Michael and Andrew and to the many other volunteers on the day. This event is quite costly to host, particularly after renovations to the venue, but the club keeps the costs reasonable for all.

A big thank you to Jahnu for organising the upcoming Sea Croft event, which was quickly fully booked. The usual coffee meet at Rocco's is coming up on 20 July and 17 August, at which you can have your Club Permits approved or renewed. Other upcoming events include the Maling Road Car Show on 18 August (see Matt Collis for details) and the German Auto Show on 25 August - details on social media.

As you will be aware, our AGM is coming up in September. We'd love you to get more involved - do consider your potential as a committee member. It's possible to start in a simple assistant role. And as usual, the Club will fund the catering for the AGM.

I look forward to catching up with you at upcoming meetings and events.
